

## Gareth M. James

---

### CONTACT INFORMATION

*E-mail:* gareth@emory.edu

### RESEARCH INTERESTS

Functional data analysis, Statistical and Machine Learning, Statistics in Marketing

### EDUCATION

**Stanford University**, Palo Alto, California

Ph.D., Statistics, June 1998

- Advisor : Trevor Hastie

**University of Auckland**, New Zealand

Bachelor of Science and Bachelor of Commerce, May 1994

- Majored in Statistics and Finance

### EMPLOYMENT HISTORY

**Goizueta Business School, Emory University**, Atlanta, Georgia

*John H. Harland Dean of the Goizueta Business School*

July 2022 -

**Marshall School of Business, University of Southern California**, Los Angeles, California

*Deputy Dean of the USC Marshall School of Business*

2020 - 2022

*Interim Dean of the USC Marshall School of Business*

2019 - 2020

*E. Morgan Stanley Chair in Business Administration*

2014 - 2022

*Professor of Data Sciences and Operations*

2013 - 2022

*Director of Institute for Outlier Research in Business*

2017 - 2019

*Vice Dean for Faculty and Academic Affairs*

2013 - 2017

*Professor of Information and Operations Management*

2009 - 2013

*Associate Professor of Information and Operations Management*

2005 - 2009

*Assistant Professor of Information and Operations Management*

1998 - 2005

**Stanford University**, Palo Alto, California

*Teaching and Research Assistant, Department of Statistics*

1994 - 1998

### HONORS AND AWARDS

Plenary Speaker, South African Statistical Association Conference, 2021

Elected Fellow of the Institute of Mathematical Statistics, 2021

USC Provost's Mentoring Award, 2021. "Honors a faculty member whose investment in and generosity toward the academic and professional success of other USC faculty, postdoctoral fellows, graduate students, or undergraduate students demonstrate exemplary mentoring." Awarded to at most two faculty throughout USC each year.

Plenary Speaker, International Conference on Robust Statistics-Latin American Conference in Statistical Computing, 2019

Evan C. Thompson Mentoring and Leadership Award, 2019

Dean's Award for Ph.D. Advising, 2019. Inaugural winner

Golden Apple Award for MBA core courses, 2019. Awarded to the top professor among all Marshall full time MBA first year classes

Plenary Speaker, INFORMS, 2016

USC Mellon Faculty Mentoring Faculty Award, 2013

Elected Fellow of the American Statistical Association, 2012

Dean's Award for Research Excellence, 2011. Awarded to 4 out of 120 research faculty at the Marshall School of Business

Golden Apple Award for MBA core courses, 2007. Awarded to the top professor among all Marshall full time MBA first year classes

Golden Apple Award for MBA elective courses, 2006. Awarded to the top professor among all Marshall MBA elective courses as voted by the students

Evan C. Thompson Faculty Teaching and Learning Innovation Award, 2006. Awarded to at most 4 out of 180 teaching faculty at the Marshall School of Business. First person to win both the Evan C. Thompson prize and the Dean's Award for Research Excellence

Dean's Award for Research Excellence, 2005. Awarded to the 4 out of 120 research faculty at the Marshall School of Business

Stanford University Department of Statistics Teaching Assistant Award, 1998

ASA Student Paper Competition, 1997

Neural Information Processing Systems (NIPS) Travel Award, 1997

Nominated for Stanford's Centennial Teaching Assistant Award for excellence in Course Assisting, 1997

Awarded Fulbright Scholarship to study in the United States, 1994

EDITORSHIPS AND BOARD	Associate Editor for Journal of the Royal Statistical Society, Series B, January 2017 - 2020
-----------------------	----------------------------------------------------------------------------------------------

MEMBERSHIPS	Associate Editor for Operations Research, 2018 - 2020
-------------	-------------------------------------------------------

Guest Associate Editor for Management Science, 2018

Member of the Advisory Board for the Center for Applied Mathematical Sciences, 2016 - 2022

Associate Editor for Journal of the American Statistical Association, Theory and Methods, 2008 - 2014

Associate Editor for Statistical Sinica, 2008 - 2014

Associate Editor for Journal of the American Statistical Association, Applications and Case Studies, 2012 - 2014

## BOOKS

James, G., Witten, D., Hastie, T., Tibshirani, R., and Taylor, J. (2023) “An Introduction to Statistical Learning: with Applications in Python” *Springer*

James, G., Witten, D., Hastie, T., and Tibshirani, R. (2021) “An Introduction to Statistical Learning: with Applications in R” (Second Edition) *Springer*

James, G., Witten, D., Hastie, T., and Tibshirani, R. (2013) “An Introduction to Statistical Learning: with Applications in R” *Springer*

## REFEREED JOURNAL PUBLICATIONS AND DISCUSSIONS

#### TEACHING EXPERIENCE

**Marshall School of Business, University of Southern California**, Los Angeles, California

DSO 530 Applied Modern Statistical Learning Methods, MBA Program, 2006-2008, 2011

GSBA 524 Managerial Statistics and Decision Making, MBA Program, 2000-2006, 2009-2010, 2012, 2018, 2019

GSBA 603 Foundations of Statistical Inference, PhD Program, 1998 - 2001, 2003 - 2004, 2008

BUAD 309 Business Decisions Under Uncertainty, Undergraduate Honors Program, 1998 - 1999

**Stanford University**, Palo Alto, California

Stat 203 Introduction to Analysis of Variance and Design, Statistics Masters Program, 1997

#### TEACHING EVALUATIONS

Class	Number of Sections	Instructor Eval	Course Eval	Avg Number Students
BUAD 309	4	4.52	4.02	23.0
GSBA 524	28	4.48	4.15	71.1
DSO 530	5	4.82	4.33	44.3
GSBA 603	7	4.86	4.50	11.6
Overall	44	4.58	4.22	53.2

All evaluations are on a 5 point scale.

GRANTS	Co-PI on NSF Grant DMS-0906784: “Regularization Methods in High Dimensions with Applications to Functional Data Analysis, Mixed Effects Models and Classification”, July 2009 - July 2012. Total Grant approximately \$200,000
	PI on NSF Grant DMS-0705312: “Generalized Variable Selection with Applications to Functional Data Analysis and Other Problems”, July 2007 - July 2010). Total Grant (including Co-PI Ji Zhu) approximately \$180,000
INVITED TALKS	Fuqua Business School, Duke University, North Carolina, April 2023
	Department of Statistics, University of Pretoria, South Africa, October 2022
	Notre Dame Mendoza College of Business, Indiana, September 2022
	Department of Statistics, ITAM, Mexico, March 2022
	Plenary Session for the South African Statistical Association Conference, South Africa, December 2021
	Cornell University, New York, October 2021
	Prime for Integrated Research Solutions Working Group, Egypt and surrounding region, October 2021
	Southern California Statistical Association, California, December 2020
	Plenary Session for the International Conference on Robust Statistics (ICORS) and the Latin American Conference on Statistical Computing (LACSC), Guayaquil, Ecuador, May 2019
	Rutgers University, New Jersey, April 2019
	Conference on Statistical Learning and Data Science, Columbia University, New York, June 2018
	University of California, Los Angeles, May 2018
	Business Research Applications Need Data Science (BRANDS), USC, Los Angeles, CA, April 2018
	ERCIM WG on Computational and Methodological Statistics, London, UK, December 2017
	New York University, New York, September 2017
	IMS-China International Conference on Statistics and Probability, Nanning, China, July 2017
	Plenary Session for INFORMS, Nashville, Tennessee, November 2016
	Big Data in Economics Conference, USC, Los Angeles, CA, October 2016
	Panel Discussant for de Leeuw Seminar, University of California, Los Angeles, April 2016
	Human Behavior Conference, USC, Los Angeles, CA, March 2016
	University of California, Berkeley, February 2016
	University of Miami, Miami, Florida, February 2016

International Society for Non-Parametric Statistics Meeting, Graz, Austria, July 2015

RAND, Santa Monica, California, May 2015

University of California, Los Angeles, May 2015

6th International Conference on ERCIM, London, December 2013

Columbia University, New York, December 2013

Centre for Applied Financial Economics Workshop, University of Southern California, Los Angeles, November 2013

ENAR, Orlando, Florida, March 2013

Winter Marketing Meetings, Las Vegas, February 2013

Melbourne University, Melbourne, Australia, December 2012

University of California, Los Angeles, November 2012

Florida State, Tallahassee, October 2012

University of Texas, MD Anderson Cancer Center, Houston, October 2012

JSM Invited Talk, San Diego, California, August 2012

JSM Discussion Session, San Diego, California, July 2012

IMS-Asia Pacific Rim Conference, Tokyo, Japan, July 2012

Statistical Learning and Data Mining ASA Section Conference, University of Michigan, June 2012

University of California, Irvine, April 2012

Workshop on Large Scale Statistical Inference, University of Minnesota, April 2012

JSM, Miami Beach, Florida, August 2011

University of Texas, Austin, April 2011

Stanford University, Palo Alto, California, January 2011

University of Florida Winter Workshop, Gainesville, January 2011

University of California, San Diego, November 2010

University of Wisconsin, Madison, November 2010

London School of Economics, London, October 2010

International Conference on Statistics and Society, Beijing, July 2010

ICSA Applied Statistics Symposium, Indianapolis, June 2010

University of California-Los Angeles, April 2010

ENAR meetings, New Orleans, Louisiana, March 2010

JSM meetings, Washington D.C., August 2009

Sixth St. Petersburg Workshop on Simulation, Russia, June 2009

ICSA Applied Statistics Symposium, San Francisco, June 2009

University of California-Los Angeles, May 2009

Booth School of Business, University of Chicago, May 2009

ENAR meetings, San Antonio, Texas, March 2009

Statistics Department, Stanford University, Palo Alto, January 2009

Radcliffe Institute of Advanced Studies at Harvard, Boston, October 2008

INFORMS Annual Conference, Washington DC., October 2008

Joint Statistical Meetings, Denver, August 2008

1st International Workshop on Functional and Operatorial Statistics, Toulouse, France, June 2008

University of Michigan, Ann Arbor, March 2008

University of Auckland, New Zealand, February 2008

Mathematics Department, University of Southern California, November 2007

University of Maryland, Maryland, October 2007

ISBIS Meetings, Azores, Portugal, August 2007

Joint Statistical Meetings, Salt Lake City, July 2007

University of California-Los Angeles, April 2007

ORFE, Princeton University, April 2007

Wharton School of Business, University of Pennsylvania, March 2007

JSM meetings, Seattle, August 2006

IMS meetings, Rio de Janeiro, Brazil, August 2006

Statistics at the Frontiers of Science, Banff, Canada, June 2006

Wharton School of Business, University of Pennsylvania, October 2005

University of California-Riverside, April 2005

University of Chicago, Illinois, April 2005

University of Wisconsin, Madison, Wisconsin, February 2005

Carnegie Mellon, Pittsburgh, Pennsylvania, January 2005

Yale, New Haven, Connecticut, December 2004

University of California-Los Angeles, December 2004

WNAR meetings, University of New Mexico, New Mexico, June 2004

University of California-Riverside, May 2004

ENAR meetings, Pittsburgh, Pennsylvania, March 2004

University of California-Irvine, January 2004

University of Washington, January 2004

University of California-Los Angeles, January 2004

University of California-San Diego, July 2003

WNAR meetings, Golden, Colorado, June 2003

IMS Meetings, Banff, Canada, July 2002

Model Based Clustering Workshop, University of Washington, July 2002

Conference on Non-parametric Statistics, Crete, July 2002

WNAR meetings, University of California-Los Angeles, June 2002

University of California-Los Angeles, February 2002

University of California-Santa Barbara, February 2002

Stanford University, January 2002

University of California-Irvine, January 2002

University of California-Los Angeles, May 2001

University of Auckland, New Zealand, May 2000

RAND, Santa Monica, April 2000

Stanford University, October 1999

Joint Statistical Meetings, Baltimore, August 1999

Mathematics Department, University of Southern California, April 1999

Stanford University, June 1998

University of Minnesota - Minneapolis-Saint Paul, February 1998

University of California - Santa Barbara, February 1998

Marshall School of Business, University of Southern California, January 1998

Wharton School of Business, University of Pennsylvania, January 1998

Johns Hopkins, January 1998

North Carolina State University, January 1998

University of Washington, January 1998

Joint Statistical Meetings, Anaheim, August 1997. Presentation in special session for winners of ASA Student Paper Competition

#### STUDENTS

The Marshall School of Business started a PhD program in Statistics in the Fall of 2010 so, to date, I have only had limited opportunities to act as the principal advisor. However, I have served on the dissertation committees for numerous students both inside and outside the business school.

Nilesh Saraf, Information and Operations Management, 2002

Yu-shuo Chang, Environmental Engineering, 2002

Wayne Johansson, Information and Operations Management, 2003

Ixchel Faniel, Information and Operations Management, 2004

Jiangfan Zhong, Information and Operations Management, 2005

Ashish Sood, Marketing, 2005

Hal Daume III, Computer Science, 2006

Shaosong Ou, Information and Operations Management, 2006

Andrew Yoon, Environmental Engineering, 2006

Reza Alagband, Molecular and Computational Biology, 2007

Alexander Fraser, Computer Science, 2007

Deepa Chandrasekaran, Marketing, 2007

Babak Pazokifard, Environmental Engineering, 2007

Shabnam Dilmaghani, Environmental Engineering, 2007

Ran Duchin, Finance and Business Economics, 2008

Salvatore Miglietta, Finance and Business Economics, 2008

John McCrow, Molecular and Computational Biology, 2008

Jerry Huang, Molecular and Computational Biology, 2008

Siva Tian (Co-Advisor), Quantitative Psychology, 2009

Min Xu, Molecular and Computational Biology, 2009

Dhruv Grover, Molecular and Computational Biology, 2009

Chien-Cheng Pan, Environmental Engineering, 2009

Abhimanyu Das, Computer Science, 2009

Tan Hung Marie Ng, Quantitative Psychology, 2009

Huanying Ge, Molecular and Computational Biology, 2009

Juan Nunez-Iglesias, Molecular and Computational Biology, 2009

Seshadri Tirunillai, Marketing, 2011

Joo He Oh, IOM, 2011

Yemin Shi (Masters Advisor), Computational Biology, 2011

Tim Triche, Preventive Medicine, 2011

Xinghao Qiao (Advisor), DSO, 2015

Courtney Paulson (Advisor), DSO, 2016

Jianghao Wang, Earth Sciences, 2015

Ben Smith, Psychology, 2018

Luella Fu (Co-advisor), DSO, 2018

Joshua Derenski (Co-advisor), DSO, 2021

Brad Rava (Co-advisor), DSO, 2022

Hayon Song, Economics, 2023

EXTERNAL SERVICE Session chair at the Interface meetings, 2001  
ACTIVITIES

Session organizer and chair at the WNAR meetings, 2004

Session chair at the IMS meetings, 2006

Session organizer at the JSM meetings, 2008

Session organizer at the WNAR/IMS meetings, 2008, 2009

JSM program chair for Statistical Learning and Data Mining Section, 2011

NSF Grant review panel, 2011

Associate Editor for Journal of the American Statistical Association - Theory and Methods, 2008-2014

Associate Editor for Statistica Sinica, 2008-2014

Associate Editor for Journal of the American Statistical Association - Applications and Case Studies, 2012-2014

Associate Editor for Royal Statistical Society, Series B, 2017- Present

Associate Editor for Operations Research, January 2018 - Present

Guest Associate Editor for Management Science, 2018

Co-Organizer of the Inaugural Business Research Applications Needing Data Science (BRANDS) Workshop, USC, 2018.
