Malik S. Muhammad, Ph.D.

Elitebio7@gmail.com

(800) 984-3167

EDUCATION

Duke University Medical Center, Durham, NC

Medical Psychology Internship, 2008-2009

APA-Approved internship in Clinical Psychology/Behavioral Medicine/Health Psychology

Palo Alto University, Palo Alto, CA

Ph.D., Clinical Psychology, June 2009

APA Accredited

Dissertation Topic: Styles of Coping Related to Distress among HIV-Positive African Americans

Pacific Graduate School of Psychology, Palo Alto CA

Masters of Science, Clinical Psychology, June 2004

United States International University, San Diego CA

Bachelors of Science, Psychology, June 2001

CLINICAL EXPERIENCE

Elite Biobehavioral

Clinical Director, June 2009-Present

- Directly supervise all agency clinicians and coordinate supervision via additional clinical supervisor(s), who also meet minimum supervisory requirements and assist the agency with the establishment of practice guidelines
- Design and support implementation of health psychology treatment protocols employed in service delivery
- Ensure appropriate assessments for individuals served
- Identify and implement, as appropriate, best practice protocols
- Review fidelity to service models and service quality for Military Veterans Evaluations and Therapy using relaxation techniques

- Provide input and approval of staff training modules; provide training
- Identify and monitor operational, service, and personal outcomes

- Ensure continuity of care through the development of strong collaborative relationships with other agencies, providers, and policy makers
- With the Training Director, develop plans and protocols for new clinical and program staff training and supervision

Clinical Psychology Intern--Duke University Medical Center, Department of Psychiatry and Behavioral Sciences Pain Management Program

These hospital-based psych labs include the biofeedback lab, the chronic pain management program, and pediatric Neuropsychology service. Participated in the evaluation and treatment of patients having a wide range of pain-related disorders with comorbid behavioral, psychosocial, and medical problems. Interventions included biofeedback, psychotherapy, and group CBT with adult and pediatric patients referred by medical, psychiatric, and surgical specialists.

Medical Director and Supervisor: Christopher Edwards, Ph.D.

Clinical Psychology Intern--Duke University Medical Center, The Preston Robert Tisch Brain Tumor Center, Neuropsychological Assessment

Participated in the neuropsychological evaluation and management of patients who were being treated for primary and secondary brain tumors. Evaluations included the assessment of memory, executive functioning, language and speech, motor function and a range of other cognitive processes. Participated as a liaison between the psychological service, surgeons, and other medical professionals.

Supervisor: Renee Raynor, Ph.D.

Clinical Psychology Intern--Duke University Medical Center, Duke Diet and Fitness Center

Functioned as a therapist evaluating, stabilizing, and treating patients pursuing weight loss and disease management via medical and behavioral modalities. Duties included teaching classes on overcoming emotional eating, weight and chronic pain, and improving sleep. Conducted brief psychological evaluations, cognitive behavioral psychotherapy, and supported the nutritional, medical, and other professionals involved in the team approach to weight management.

Supervisor: Martin Binks, Ph.D.

Pazzaz, San Diego CA

Team Support Program, Mental Health Intern, 2004-2005

Team Support is an intervention program that builds stronger, more positive relationships between students and their parents to foster and improve students' learning environments.

Facilitated three groups (parents only, students only, and parents and students combined) for the Team Support Program. Conducted individual family sessions weekly under the direct supervision of a licensed psychologist. Provided in-school crisis intervention when requested by parents in the program.

Children of the Rainbow Early Reading Program, San Diego CA

Mental Health Intern, 2004-2005

Assisted in the development of cognitive and language skills programs for children ages 3 to 5, living in low income, ethnically-diverse communities. Conducted assessments to measure student learning styles and reading level. Provided on-site (e.g. classroom) behavior intervention. Provided weekly consultation services to teachers. Conducted in home follow-ups for wrap-around services with parents/guardians of children in the program.

San Jose Job Corps, San Jose CA

Mental Health Intern, 2003-2004

Conducted intake assessments, including mental status exams, and provided vocational support to ethnically and culturally diverse individuals, age 16-24, enrolled in the San Jose Job Corps. Created client-focused, culturally-sensitive treatment plans. Provided individual and couples counseling regarding abuse and relationship issues, and led a psycho-educational group dealing with anger management, work behavior, and problem solving.

VETERAN SERVICES

Private Contractor for Veterans Evaluation Services

June 2016-Present

Evaluations for Veterans Eligibility for Disability Services

PTSD Evaluations

Out Patient Therapy Focused on Post Service Related Mental Health Issues

TEACHING EXPERIENCE

Ivy Tech Community College, Indianapolis, IN

Adjunct Faculty, Distance Learning, Fall 2007-2016

Courses Taught: Drugs and Human Behavior, Human Sexuality, and Introduction to Psychology

Blackboard Certified

American Military University

Adjunct Faculty, Fall 2007-2011

Course Taught: Introduction to Online Learning

PROFESSIONAL EXPERIENCE

The Arc of San Diego, Chula Vista, CA

Supervising Case Manager, 2001

The Arc of San Diego, a private, not-for-profit Corporation, provides instruction and support to enable mentally disabled individuals to participate in the community more independently by

offering programs that focus on the transition from the classroom to a broader, more natural environment. Supervised case managers. Trained case managers and direct care staff in completing individual program plans, evaluations, intakes, discharge summaries, and file updates. Conducted client assessments and counseling activities. Trained direct care staff in record keeping in the Activity Center, the Adult Development Center, and the Community Based Programs. Worked on an interdisciplinary team where the primary focus was providing effective counseling and interventions during client crises.

The Best Program (a division of the Escondido Youth Encounter), San Diego, CA
Youth Development Counselor, 2000-2001

Offered direct in-home services for youth who were transitioning from juvenile detention to home. Provided wrap-around support services for clients and their families. Attended probation and court hearings to support youth in meeting their probation requirements. Assisted youth with school issues, life skills training, anger management, and behavior modification. Developed family-driven case plans that utilized family strengths, encouraged strong parenting skills, and interfaced with community resources. Provided crisis intervention when necessary.

Project Heartbeat, San Diego, CA
Family Support Partner, 1998-1999

Provided multiple role services, including the provision of direct wrap-around services to clients in their homes, mentoring youth with delinquent juvenile histories, and leading a wrap-around team in the County's Department of Mental Health's initial services for the newly designed system on care. Assisted in youth initiatives in public schools systems and county special education programs. Attended frequent mental health training sessions regarding childhood diagnoses, medication therapy, working with youth with antisocial problems and youth with conduct disorders.

South Bay Community Services, Chula Vista, CA
Youth Development Counselor, 1996-1998

Mentored youth with histories of runaway behavior. Activities included registering youth in public schools, directly assisting in medical intervention tasks, and providing therapeutic services to youth on issues related to independent living programs, drug and alcohol issues, sexuality, and other developmental concerns.

Bell Junior High School, San Diego, CA
Pupil Advocate, 1994-1996

Assisted African-American students with low-average academic achievement performance by developing after-school tutoring, enrichment services, and student-to-student mentoring programs. Prepared presentations for the school's student body and teaching staff. Conducted community workshops that disseminated information about the success of these programs.

LICENSES and CERTIFICATIONS

Licensed Psychologist in multiple states

ADDITIONAL TRAINING

American Public University System

(2011) Prior Learning Assessment Evaluator

Carl Rogers Institute for Studies of the Person, La Jolla, CA

(1997) Mental Health Intern

Specialized Training in Client-Centered Therapy

University Organizations and Community Participation:

2014- Present Duke University Medical Center, Center for Biobehavioral Health Disparities Research

2012 - Present Institute for the Development of Young Leaders Chairman's Advisory Board Member

Serve as a special assistant and advisor to the chairman of the board for the Institute for the Development of Young Leaders. Worked with the chairman and executive board to advise on educational policy and procedures for children K-12 that have been historically disenfranchised in the public school setting who are attending a public charter school designed to address their learning needs. Role includes developing, financing, and then executing special projects, clinical education for teachers, consultation on specific cases, and consult liaison between the school, community, local businesses and educational stake holders.

2011- Present The Taskforce on Minority Recruitment, Palo Alto University Diversity Recruitment Committee/HBCU Liaison Special Assistant to the Co-Chairs

2009- 2012 Mothers on a Mission (MOM) Domestic Violence Coalition
HIV/AIDS Consultant, 2009 – Present

2008 – 2016 Ethnic and Cultural Diversity Committee, APA Division 38 (Health Psychology) Member

2008 – 2016 Ethnic and Cultural Minority Committee, Division 38
Special Assistant to the Chairperson,

2008 – Present Euthenics, Inc. Advisory Board Member

PROFESSIONAL AFFILIATIONS AND ACTIVITIES

(2018-Present) I Dreamt of Being, Inc., Board Chair, Durham NC

(2017-Present) Just Believe, Inc., Board Chair, San Diego CA

(2014) Movement of Youth, Inc., Board Member, Durham NC

(2014) IAMGREAT Project (Raleigh NC) "Don't Stand By, Stand UP!" Anti-Bullying Youth Symposium, Invited Panel Discussion Member

(2013) Talk-Back Radio Domestic Violence Series, Invited Guest

(2008-Present) American Psychological Association - Division 55

RESEARCH EXPERIENCE

Stanford University School of Medicine, Stanford, CA

Research Assistant, 2001-2003

Recruited and enrolled study participants, conducted structured interview assessments, and entered study data for a collaborative research project between the Stanford University School of Medicine and the San Mateo Medical Center, entitled "Evaluation of a PTSD Screening Program for HIV Positive Persons Attending Two Community Clinics." (Research was funded by University Wide AIDS Research Program. Principal Investigators: Cheryl Koopman, PhD and Dennis M Israelski, MD). Conducted literature reviews and assisted in the preparation of manuscripts for journal publication and abstracts for conference presentations.

Pacific Graduate School of Psychology, Palo Alto, CA

Research Assistant, 2001-2002

Collected preliminary data and conducted a literature review for an outreach project targeting African-American males diagnosed with prostate cancer in Oakland, CA and Berkeley, CA.

Published Book:

My Silent Loud

Do young black boys have a voice? Can they dare to dream? A powerful memoir that will inspire young black boys to strive for more and be heard. *My Silent Loud* explores the thoughts and feelings of the author with the hope and dream that it will give a voice to *silent* little black boys who wish that someone would listen to them.
