

**Laurence Habib**  
Female  
D.O.B.: 02-11-1971  
Nationality: French

## ***EDUCATION***

### **London School of Economics and Political Sciences (LSE)**

2000: Ph.D. in the Department of Information Systems,  
Thesis title: Computers in the family: A study of technology in the domestic sphere.  
Examiners: Pr. Enid Mumford and Dr. Barbara Farbey  
1994: M.Sc. in Analysis, Design and Management of Information Systems. (Overall average grade: Distinction).  
1993: Post-graduate Diploma in Management Sciences. (Overall average grade: Distinction).

### **EDHEC Graduate School of Business, Lille, France**

1993: Graduate Degree in Business Management and Administration (French MBA)

### **Other**

2003-2004: Foundation Course in Education for College Lecturers, Centre for Educational Research and Development, Oslo University College  
2014-2015: Programme for Excellence in the Dissemination of Research, Oslo and Akershus University College of Applied Sciences

## ***WORK EXPERIENCE (selection)***

**Department of Computer Science, Oslo and Akershus University College of Applied Sciences, Oslo, Norway**  
Since 2011: Department Chair/Professor

**Centre for Educational Research and Development, Oslo University College, Oslo, Norway**  
2010-2011: Professor and Director  
2003-2010: Associate Professor

**Department of Informatics, University of Oslo, Norway**  
2003-2004: Adjunct Lecturer

**The Norwegian Computing Center, Norway**  
November 2000 - October 2002: Research Scientist

**Agresso Group ASA, Oslo, Norway**  
January 1999 - October 2000: Senior Consultant

**Interdisciplinary Institute of Management, London School of Economics, London, UK**  
September 1995 - June 1996: Lecturer

**Department of Information Systems, London School of Economics, London, UK.**  
September 1994 - October 1998: Teaching Assistant

**Suntory-Toyota International Centre for Economics and Related Disciplines, London, UK**  
June 1994 - June 1996: Research Officer

**Tersud, France**  
June - December 1993: Research consultant

**Electricité de France, Marseilles, France**  
July - September 1992: Systems Analyst

## ***OTHER PROFESSIONAL ACTIVITIES (selection)***

### ***National committees***

Since 2012: Member of the ICT Architecture committee at the Norwegian Association of Higher Education Institutions (UHR).

2011-2012: Member of a national committee examining the possibility of alternative doctorates in Norway for the Norwegian Association of Higher Education Institutions (UHR).

### ***Institutional committees***

Since 2011: Member of the reference group for the Department Chair Forum at Oslo and Akershus University College of Applied Sciences.

Since 2012: Member of the recruitment and promotion committee at the Faculty of Technology, Arts and Design at Oslo and Akershus University College of Applied Sciences

2011: Member of an expert group on alternative career development schemes at Oslo and Akershus University College of Applied Sciences.

2011: Member of a working group in charge of designing an open access policy for Oslo and Akershus University College of Applied Sciences.

2010-2011: Member of the Research and Development Committee at Oslo University College (deputy)

2010-2011: Member of the Steering Committee for the institution-wide “Intercult” project at Oslo University College

2010-2013: Member of the Steering Committee for the collaborative project LAU (Learning in education and work) at Oslo and Akershus University College of Applied Sciences.

### ***Reference groups for research projects***

Since 2012: Member of the reference group for the Horizontal Governance project at University of Oslo (funded by the Norwegian Research Council)

2010-2011: Member of the reference group for the national project CAB (Collaboration Across professional Boundaries) involving 9 institutions of higher education in Norway.

### ***Evaluation/Assessment***

2012: External member of the evaluation committee for Bachelor programmes in IT at University of Agder.

Since 2011: Expert member of 3 evaluation committees for the VERDIKT research program (Core Competence and Value Creation in ICT) at the Norwegian Research Council

Since 2005: Member of several committees for assessment of applicants for positions and promotion (Research Fellow, Assistant Professor, Associate Professor, Professor)

### ***Conference and seminar organization***

2009-2012: Abstracts Editor for ALT-C (Association for Learning Technology Conference)

2007-2013: Member of the steering committee for NOKOBIT (Norwegian Conference of Information Systems)

2005-2014: Associate editor for the International Conference for Information Systems (ICIS 2006, 2013, 2014)

### ***Expert groups***

2011: Member of the expert committee on promotions to associate professorship at Oslo and Akershus University College of Applied Science

2001-2003: Member of the expert panel on media at the Norwegian Media Authority.

### ***External examiner***

University of London (External programme), 1995-1996, 1996-1997, 1997-1998.

University of Oslo, Department of informatics (*Master in Information Systems*), 2002-2003, 2003-2004, 2015-2016.

University of Oslo, Department of Education (*Master of Philosophy in Higher Education*): Master thesis, 2006.

University of Oslo, Department of Education (*Master of Philosophy in Higher Education*): Introductory Semester Course in Higher Education, 2008.

### ***Service as reviewer***

Regular reviewer for the following journals and conferences:

#### ***Journals:***

Education and Information Technologies  
European Journal of Information Systems  
Higher Education  
Information Society  
Information Technology and People  
International Journal of Doctoral Studies  
Interdisciplinary Journal of Information, Knowledge, and Management  
Transactions on Internet Research  
Journal of Information Technology Cases and Applications  
Journal of Online Learning and Teaching  
Universal Access in the Information Society

#### ***Conferences:***

Americas Conference on Information Systems (AMCIS)  
Association for Learning Technology Conference (ALT-C)  
Computer Science and IT Education conference (CS IT Ed)  
European Conference of Information Systems (ECIS)  
Hawaii International Conference on System Sciences (HICSS)  
IFIP TC8 International Conference on Research and Practical Issues of Enterprise Information Systems (CONFENIS)  
Information Resource Management Association Conference (IRMA)  
Informing Science and IT Education Conference (InSITE)  
International conference on Universal Technology (Unitech)  
International Conference for Information Systems (ICIS)  
International Conference on Computer Supported Education (CSEDU))  
Ubiquitous Intelligence and Computing (UIC)

#### ***Books:***

Issues in Information and Media literacy  
The digital revolution, ICT and learning  
Learning in the network society and digitized school
