Entrepreneurship Evangelist | [WEBB / INDSPARK!](#), International

I help entrepreneurs use current tech, social and branding trends to improve the effectiveness of their business practices and reach. I deliver cutting edge information with international inspiration, motivation to help design and create sustainable, innovative, entrepreneurial ventures. I work with women entrepreneurs as well as men in the start up and early phases of their businesses or organizations. I am a tireless student of international entrepreneurship trends, read a diverse mix of entrepreneurial literature and actively engage in entrepreneur events around the globe. I am an entrepreneurial evangelist through my writing, professional speaking, networking, mentoring, advisement, coaching, trendspotting, products and programs.
