## RESEARCH EXPERIENCE

### *Externally Funded Research & Scholarship*

1. **Teen Connect Implementation & Outcome Evaluation: Permanence for Teens in Foster Care** 2017-2019  
*Principal Investigator*  
Grant from the Annie E. Casey Foundation to evaluate the implementation and outcomes of a multi-site U.S. pilot of the Canadian Connect parenting program focused on assessing the program's effectiveness and suitability for U.S. parents and foster parents of child welfare-supervised teens with behavioral health needs. *Sub-contract with Public Policy Associates. Funding: \$69,895 for sub-contract; total grant = \$179,904.*
2. **Assessment and Mapping of Community Connections in Home Visiting** 2017-2018  
*Consultant*  
Fifteen-month contract with Child Trends, Incorporated to assist their execution of a federal contract with the U.S. Department of Health & Human Services to identify innovative methods for understanding the community-level systems and networks in which the federal Maternal, Infant, and Early Childhood Home Visiting (MIECHV) program operates, including the availability of community service providers that home visiting programs can refer families to, and the relationships between home visiting programs and community resources.  
*Funding: \$6,600 private contract.*
3. **Home Visiting Data for Performance Initiative Dissemination Activities & State Survey** 2017  
*Principal Investigator/Chapin Hall Faculty Fellow*  
Extension of contract with Chapin Hall to co-lead the Home Visiting Data for Performance Implementation Pilot. Primary activities include strategic dissemination of implementation pilot findings and the development of a survey to assess states' take up of Pew's recommended home visiting performance indicators. *Funding: \$6,600 private contract.*
4. **Home Visiting Data for Performance Initiative Implementation Pilot** 2016-2017  
*Principal Investigator/Chapin Hall Faculty Fellow*  
Contract with Chapin Hall to co-lead an implementation study of recommendations from the Pew Charitable Trusts Home Visiting Data for Performance Initiative in 6 pilot states/counties. Primary activities included testing the feasibility of state and local governments adopting the home visiting system performance measurement approach outlined in *Using Data to Measure Performance: A New Framework for Assessing the Effectiveness of Home Visiting* (Pew, 2015) and developing two new performance indicators for assessing home visiting participants' improvements in parenting and child development to add to this framework. *Funding: \$40,000.*
5. **In-Service Classroom and Online Training for Child Welfare Staff** 2015-2020  
*Lead Evaluator and Co-Principal Investigator*

Five-year state grant from the Michigan Department of Health & Human Services (MI DHHS) to provide and evaluate geographically accessible in-person and on-line professional training for child welfare caseworkers and supervisors located throughout the state, caregivers of child welfare-supervised children, and MI DHHS employees in leadership positions. *Co-Principal Investigator: Dr. Gary Anderson, Michigan State University School of Social Work. Funding: \$1,200,000 (\$510,000 weighted PI credit).*

- 6. Project ABC** 2015-2016

*Co-Principal Investigator*

Contract with Project ABC, a U.S. Substance Abuse and Mental Health Services Administration (SAMHSA)-funded early childhood system of care initiative led by Children's Institute Incorporated, to conduct a secondary analysis of data from the National Survey of Child & Adolescent Well-being II to determine if young children in the U.S. child welfare system who receive early care and education services are less likely to be placed in foster care. *Co-Principal Investigator: Dr. Lauren Fries. Funding: \$10,000 private contract (\$2,500 weighted PI credit).*
- 7. Early Care & Education for Child Welfare-Supervised Children: Outcomes & Cross-system Collaboration** 2015

*Principal Investigator*

Contract with U.S. Administration for Children and Families, Office of Planning, Research & Evaluation to write two research briefs regarding: (1) the effects of early care and education on child welfare-supervised children's safety, permanency and well-being outcomes, and (2) best practices for forming and sustaining early care and education – child welfare partnerships. *Funding: \$18,000.*
- 8. Home Visiting Data for Performance Initiative** 2014-2015

*Consultant*

Provided ongoing consultation to the Pew Charitable Trusts for this policy advocacy and data infrastructure development initiative that aimed to expand state-administered evidence-based home visiting programs for at-risk families and improve program quality through policy advocacy, funded research, and state-level data infrastructure development. Consulting role was primarily focused on helping to define a common set of measurable home visiting program process and outcome indicators to be used by the ten states and one county (Los Angeles) participating in this initiative; recommending appropriate data collection methodologies; and helping participating jurisdictions determine the best way to track these indicators and use the data to support program improvement and demonstrate the return on home visiting as a public investment. *Funding: \$42,784.*
- 9. In-Service Training Sessions for Department of Human Services and Private Agency Child Welfare Workers and Supervisors** 2014-2015

*Lead Evaluator and Co-Principal Investigator*

One-year state grant from the Michigan Department of Human Services to provide geographically accessible in-person and on-line professional training for child welfare caseworkers and supervisors located throughout the state and to evaluate effectiveness of training. *Co-Principal Investigators: Dr. Gary Anderson & Michele Brock, Michigan State University School of Social Work. Funding: \$124,794 (\$62,397 weighted PI credit).*
- 10. In-Service Training to Promote Positive Child Welfare Outcomes** 2011-2014

*Lead Evaluator and Co-Principal Investigator*

Three-year state grant from the Michigan Department of Human Services to provide geographically accessible in-person and on-line professional training

for child welfare caseworkers and supervisors located throughout the state and to evaluate effectiveness of training. *Co-Principal Investigators: Dr. Gary Anderson and Michele Brock, Michigan State University School of Social Work. Funding: \$374,382 (\$116,058 weighted PI credit).*

11. **Los Angeles Child Welfare-Early Education Partners Infrastructure Project** 2011-2013  
*Lead Evaluator*  
 17-month grant from the U.S. Administration for Children and Families, Children's Bureau to pilot a model for increasing access and linkage to high quality early care and education services for children 0-4 years old involved in the public child welfare system. *Principal Investigator: Dr. Todd Franke, University of California, Los Angeles School of Public Affairs. Funding: \$31,200 for evaluation sub-contract; grant = \$249,995.*
12. **Understanding Racial/Ethnic Disparities in Saginaw County's Child Welfare & Juvenile Justice Systems** 2012  
*Principal Investigator*  
 Contract with the Saginaw County Disproportionate Minority Contact Committee to conduct a quantitative and qualitative analysis of the underlying causes of racial and ethnic disproportionality within the county's child welfare and juvenile justice systems. *Funding: \$57,000.*
13. **Evaluation of a Data-Driven Approach for Reducing Racial Disproportionality in Michigan's Child Welfare & Juvenile Justice Systems** 2011-2012  
*Principal Investigator*  
 Two-year grant from the Michigan State Court Administrative Office to conduct a process and outcome evaluation of a state-level approach to assessing the scope and underlying causes of racial disproportionality within Michigan's child welfare and juvenile justice systems and the development and implementation of an intervention to reduce racial disproportionality in these systems. *Funding: \$74,118.*

### *Other Research Experience*

1. **Testing the Efficacy of Early Head Start in Preventing Child Maltreatment: A 15-year Longitudinal Study (RO1)** 2013-15  
*Consultant*  
 Three-year grant from the U.S. Centers for Disease Control & Prevention (CDC), National Center for Injury Control & Violence Prevention to examine the effects of Early Head Start on maltreatment for children ages birth to 16 years of age. *Co-PIs: Drs. Catherine Ayoub, Harvard Medical School & Brazelton Touchpoints Center, and Beth Green, Portland State University School of Social Work. Funding: N/A.*
2. **Administration for Children & Families, U.S. Department of Health & Human Services** 2009-10  
*Society for Research in Child Development Policy Fellow*  
 Provided research and evaluation support for the Office of Child Abuse & Neglect's Evidence-based Home Visiting Initiative and Rigorous Evaluation of Existing Child Abuse Prevention Programs grants; lead joint Office of Head Start and Children's Bureau workgroup focused on increasing foster children's access to high quality early care and education services; supported Office of Planning, Research & Evaluation's efforts to assess the home visiting program evidence base in anticipation of a new federal home visiting program for evidence-based models; and coordinated an inter-agency effort to produce a research brief on federally funded systems-level evaluations of early childhood initiatives housed

within the Administration for Children & Families, Maternal & Child Health Bureau, and Substance Abuse & Mental Health Services Administration. Funding: \$71,000.

3. **UCLA Center for Healthier Children, Families and Communities**  
**Senior Public Administration Analyst**

2007-09

- First 5 Kings County Evaluation: Evaluation of a publicly funded child advocacy organization responsible for promoting the healthy development of children 0-5 years old in Kings County, California. Research activities included designing School Readiness, Children's Health, Family Resource Center and Child Care Quality Improvement Initiative evaluations, survey instrument development, focus group facilitation, data analysis and report writing.
- Early Development Instrument U.S. Implementation Project: Lead design and early implementation of the GIS mapping component of a school readiness measurement and community engagement process being adapted from Canada for use in the United States in partnership with the United Way of America. *Funding: salaried.*

4. **UCLA Center for Child and Family Policy Research**  
**Graduate Student Researcher**

2001-03

Evaluation of California Office of Child Abuse Prevention Small Counties Initiative to fund child abuse prevention in small, rural California counties. Research activities included survey instrument development, service provider and program administrator interviews, data analysis, and report writing. *Funding: salaried.*

5. **Assessing the Impact of Time Limits on Recipients of General Relief**  
**University of California, Los Angeles, Department of Social Welfare**  
**Graduate Student Researcher**

1998-99

Evaluation of the impact of Los Angeles County's cash aid time limit policy on adults without dependents. Research activities included recruiting research subjects at local welfare offices and administering surveys. Research findings contributed to the County's decision to extend GR time limits. *Funding: salaried.*

***SOCIAL WORK PRACTICE***

*Policy & Systems Change Consultant* 2007-08

*Project ABC, Los Angeles, CA*

Led team of consultants responsible for the legislative and regulatory policy and systems change component of a SAMHSA-funded early childhood systems of care collaboration between Children's Hospital Los Angeles, Children's Institute Incorporated, the University of Southern California's School of Social Work, and the Los Angeles Departments of Mental Health and Children & Family Services.

*Policy Director*

2006-07

*First 5 Los Angeles, Los Angeles, CA*

Oversaw creation of a new Policy Department for a \$830 million publicly funded child advocacy organization responsible for promoting the healthy development, early learning, and safety of children 0-5 years old and their families. Hired and supervised department staff and worked collaboratively with strategic partners to develop the agency's Policy Agenda.

*Child Welfare Policy Director*

2003-06

*Association of Community Human Service Agencies (ACHSA), Los Angeles, CA*

Led child welfare staff team and managed committees and work groups to develop and implement advocacy strategies addressing child policy issues and member needs for an association of 80+ nonprofit agencies providing child welfare, juvenile justice, and mental health services in Los Angeles County.

*W. M. Keck Foundation -Vivian Weinstein Child Advocacy Fellow*

2002-03

*UCLA Center for Healthier Children, Families & Communities, Los Angeles, CA*

Partnered with Los Angeles-based child advocacy and policymaking organizations to develop and implement projects to enhance the well-being of children and families. Received training in advanced child advocacy skills, e.g. strategic planning, community capacity building, framing and messaging, and using data, evaluation, media and the corporate sector to further advocacy agendas. Interned with public interest law firm to create and implement an advocacy agenda on behalf of families dually involved in the welfare and public child welfare systems.

*Foster Care Case Manager/Adoptions Social Worker*

2000-01

*Olive Crest Foster & Adoption Agency, Burbank, CA*

Case managed 6-15 foster children in a clinically oriented treatment foster care agency. Trained and monitored foster parents. Conducted home study evaluations of prospective adoptive parents and provided on-going case management and support to families adopting children through the public child welfare system.

*Social Work Intern*

1999

*Child Welfare League of America Western Office, Los Angeles, CA*

Investigated and wrote needs assessment for adopted children in residential group care due to mental health problems and made related policy and practice recommendations. Helped CWLA staff prepare social service agencies for accreditation. Processed child welfare information requests. Assisted member agencies with policy and management concerns.

*Social Work Intern* 1998-99

*Los Angeles Free Clinic, Los Angeles, CA*

Provided on-going counseling to clients of multi-service free clinic, as well as crisis intervention and case management services to homeless clients. Conducted intake assessments for new clients seeking mental health services.

*Children's Social Worker II* 1997-98

*Los Angeles County Dept. of Children & Family Services, Los Angeles, CA*

Managed a caseload of ~ 45 abused and neglected children in an effort to safely reunite them with their families.

*Caseworker* 1995-97
