

CURRICULUM VITAE

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM

Michigan State University
Department of Medicine
909 Wilson Road, Room 117 West Fee
East Lansing, MI 48824-1316
(517) 353-1846

EMPLOYMENT HISTORY:

Michigan State University, College of Human Medicine, Professor, Department of Medicine, 7/1/93 to present.

Michigan State University, College of Human Medicine, Chief, Division of Occupational and Environmental Medicine, 1998 to present.

Michigan State University, College of Human Medicine, Associate Professor, Department of Medicine, 1988 to 6/30/93.

Workplace Health Fund, Medical Director, 1987 to 1994.

Self-Employed Consultant, 1986 to 1988. Clients: National Institute of Occupational Safety and Health, National Cancer Institute, U.S. Bureau of Labor Statistics, University of Massachusetts, Workplace Health Fund, Exxon, New Jersey Department of Health, University of Medicine and Dentistry of New Jersey.

State of New Jersey, Department of Health, Division of Occupational & Environmental Health, Acting Assistant Commissioner, April, 1986 to July, 1986.

State of New Jersey, Department of Health, Division of Epidemiology and Disease Control, Director of Occupational & Environmental Health Services, June, 1981 to March 1986.
Responsibilities: Staff 127, Budget \$4 million.

Mandated Legislative Activity: Right-to-Know Public Employees Occupational Safety and Health Act, Asbestos Worker Training, Occupational Disease Surveillance.

Clinical: State Occupational and Environmental Disease Clinic. Numerous cross-sectional examinations of workers and community residents, consultations with physicians on diagnostic problems.

Presentations: Numerous presentations to hospital medical staff, public health organizations, business and labor groups, legislative committees, state advisory councils and community groups.

College of Medicine and Dentistry of New Jersey, Rutgers Medical School, Clinical Assistant Professor, Department of Environmental and Community Medicine, 1981 to 1997.

Mt. Sinai School of Medicine, New York, Assistant Lecturer, Department of Community Medicine, 1983-1986. Adjunct Assistant Professor, Department of Community Medicine, 1986 to present.

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 2

EMPLOYMENT HISTORY CONTINUED:

University of Massachusetts, July 1979 - June 1981, Amherst, Massachusetts, Assistant Professor of Epidemiology.

Teaching: Principles of Epidemiology, Chronic Disease Epidemiology, Occupational Disease Epidemiology

Clinical: Director of Occupational Disease Clinic at Baystate Medical Center; Ward Attending, August 1979, July 1980.

LICENSES:

New York - 1976, inactive
Massachusetts - 1979, inactive
New Jersey - 1981, inactive
Michigan - 1987

POST - DOCTORAL CERTIFICATION:

Board Certified in Internal Medicine, 1979
Board Certified in Occupational & Preventative Medicine, 1980
NIOSH Certified B Reader, 1984; recertified 1988; recertified 1992; recertified 1996; recertified 2000, recertified 2004; recertified 2008; recertified 2012; recertified 2016

HONORS/AWARDS:

Fellow, American College of Preventive Medicine, 1988
Fellow of the Collegium Ramazzini, 1990
Fellow, American College of Epidemiology, 1993
Alpha Omega Alpha, 2008
Michigan State University Distinguished Faculty Award, 2010
College of Human Medicine Distinguished Faculty Award, 2010
Health Policy Champion, Michigan Department of Community Health, 2011
Distinguished Leadership Award, Council of State and Territorial Epidemiologists, 2011
Fellow, American College of Occupational and Environmental Medicine, 2016

EDUCATION AND TRAINING:

Baystate Medical Center, 7/1978 – 6/1979, Springfield, Massachusetts. Resident in Internal Medicine.

Mt. Sinai Medical Center, , New York, New York. Resident in Occupational Medicine.

Didactics: Statistics, Epidemiology, Occupational Toxicology, Health Care Delivery; M.P.H. equivalent.

Field Experience: Industrial Union Department of AFL-CIO; Nader's Health Research Group; U.S. Steel Corporation.

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 3

EDUCATION AND TRAINING CONTINUED:

Clinical Experience: Chest, Cardiology and Hematology electives; Chest, Sarcoid and Dermatology Clinic: Occupational Medicine Clinic and Consult Service.

Research Experience: Participated in Clinical Epidemiological Studies of garnetters, pipe insulators, PBB exposed individuals, Wisconsin Dairy Farmers, lead smelters, telephone cable splicers, firing range instructors, cutting oil formulators, silver nitrate producers, automotive mechanics, millwrights, chemical operators, family members of asbestos workers, pulp and paper workers and audio speaker producers.

St. Vincent's Hospital and Medical Center, July 1975 - June 1976, Manhattan, New York.

Intern: Nine months Medicine, one month Neurology, two months Pediatrics.

New York Medical College, July 1972 - June 1975, Valhalla, New York

Degree: M.D.

Including a two month elective doing Health Hazard Evaluations with NIOSH in Cincinnati, Ohio.

Cornell University, September 1968 - June 1972, Ithaca, New York

Degree: A.B.

Major: Genetics

PRINCIPAL INVESTIGATOR (GRANT AND CONTRACT AWARDS):

Previous Awards

"Cooperative Agreement Demonstration Program to Conduct Workplace Health Hazard Evaluations"

March 1, 1981 - June 30, 1987, Principal Investigator, Annual Direct Costs - \$89,858

National Institute Occupational Safety and Health

"Occupational Clinic Network"

August 30, 1984 - June 30, 1986, Principal Investigator, Annual Direct Costs - Master Agreement

National Cancer Institute

"Capacity Building - Occupational Safety and Health"

September 29, 1984 - September 28, 1989, Principal Investigator, Annual Direct Costs - \$46,631

National Institute Occupational Safety and Health

"Morbidity Study of Chemical Herbicide Workers"

October 1, 1985 - March 30, 1988, Principal Investigator, Annual Direct Costs - \$93,965

National Institute for Occupational Safety and Health

"Evaluation of New Jersey's Asbestos Assessment Protocol"

July 1, 1986 - June 30, 1987, Principal Investigator, Annual Direct Costs - \$69,241

Environmental Protection Agency

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 4

PRINCIPAL INVESTIGATOR (GRANT AND CONTRACT AWARDS) CONTINUED:

"Establishment of a Sentinel Event Notification System for Occupational Risk"

November 1, 1988 - October 31, 1992, Principal Investigator, Annual Direct Costs - \$126,800
Michigan Department of Public Health

"Pilot Project to Assess Mortality Among Former Chromium Smelter Workers"

July 1, 1989 - June 30, 1992, Principal Investigator, Annual Direct Costs - \$66,963
National Institute for Occupational Safety and Health

"Foundry Health Investigation"

October 1, 1990 - September 30, 1994, Principal Investigator, Annual Direct Costs - \$150,000
UAW-Chrysler Training Fund

"Demonstration Cancer Control Projects For Farmers"

September 28, 1990 - September 27, 1994, Principal Investigator, Annual Direct Costs - \$244,592
National Institute for Occupational Safety and Health

"Study of Aromatic Amine Exposure"

February 1, 1993 - December 31, 1996, Principal Investigator, Annual Direct Costs - \$39,539
Michigan Department of Community Health

"Establishment of a Sentinel Event Notification System for Occupational Risk"

October 1, 1992 - September 30, 1997, Principal Investigator, Annual Direct Costs - \$114,000
Michigan Department of Consumer and Industry Services

"A Case-Control Study of Primary Intracranial Gliomas Among Rural Residents"

September 28, 1994 - September 27, 1998, Principal Investigator, Annual Direct Costs - \$135,876
National Institute for Occupational Safety and Health

"Feasibility Study of Chloroprene Mortality Analysis"

July 1, 1998 - December 31, 1998, Principal Investigator, Annual Direct Costs - \$19,133
University of Cincinnati

"Occupational Safety and Health Silicosis Prevention Partnership"

September 30, 1995 - September 29, 1999, Principal Investigator, Annual Direct Costs - \$85,199
National Institute for Occupational Safety and Health

"Health Services Research in Occupational Safety and Health"

September 30, 1995 - September 29, 1999, Principal Investigator, Annual Direct Costs - \$138,676
National Institute for Occupational Safety and Health

"Chronic Beryllium Disease in Beryllium Exposed Workers"

September 30, 1995 - September 29, 2001, Principal Investigator, Annual Direct Costs - \$122,813
National Institute for Occupational Safety and Health

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 5

PRINCIPAL INVESTIGATOR (GRANT AND CONTRACT AWARDS) CONTINUED:

"Blood Lead Epidemiology Surveillance and intervention Projects to Prevent Adult Lead Poisoning"
October 1, 1996 - September 30, 2001, Principal Investigator, Annual Direct Costs - \$20,600
Michigan Department of Consumer and Industry Services

"Environmental/Occupational Medicine Academic Award"
July 1, 1996 - June 30, 2002, Principal Investigator, Annual Direct Costs - \$199,131
National Institute of Environmental Health Sciences

"Establishment of a Sentinel Event Notification System for Occupational Risk"
October 1, 1997 - September 30, 2002, Principal Investigator, Annual Direct Costs - \$181,058
Michigan Department of Consumer and Industry Services

"Chronic Beryllium Disease Among Beryllium Exposed Workers"
June 1, 1998 - March 31, 2002, Principal Investigator, Annual Direct Costs - \$126,250
U.S. Department of Energy

"Linking Occupational Injury and Illness Data Bases"
September 30, 2000 - September 29, 2004, Principal Investigator, Annual Direct Costs - \$150,000
National Institute for Occupational Safety and Health

"Epidemiology of Occupational Fatal Injuries in Michigan"
October 1, 2000 - September 30, 2004, Principal Investigator, Annual Direct Costs - \$128,205
Ford Motor Company

"Establishment of a Sentinel Event Notification System for Occupational Risk"
October 1, 2002 - September 30, 2005, Principal Investigator, Annual Direct Costs - \$156,250
Michigan Department of Labor and Economic Growth/NIOSH

"Core Occupational Health Surveillance in Michigan"
September 30, 2000 - September 29, 2005, Principal Investigator, Annual Direct Costs - \$25,000
Michigan Department of Community Health/NIOSH

"Farm Related Asthma"
October 1, 2001 - September 30, 2006, Principal Investigator, Annual Direct Costs \$94,276
Ohio State University/National Institute for Occupational Safety and Health

"Work-Related Asthma"
October 1, 2001 - September 30, 2007, Principal Investigator, Annual Direct costs \$19,500
Michigan Department of Community Health/CDC

"Genetic/Exposure Interaction in Beryllium Disease"
August 1, 2003 – July 31, 2007, Principal Investigator, Annual Direct Costs - \$350,254
National Institute for Occupational Safety and Health

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 6

PRINCIPAL INVESTIGATOR (GRANT AND CONTRACT AWARDS) CONTINUED:

“Fatality Assessment and Control Evaluation (FACE)”

September 1, 2002 – August 31, 2007, Principal Investigator, Annual Direct costs \$97,500
Michigan Department of Labor and Economic Growth

“Review of Asthma causing Agents”

January 1, 2008 –September 30,2009, Principal Investigator, Annual Direct Costs - \$18,692
Association of Occupational and Environmental Clinics

“Sudden Cardiac Death”

March 1, 2007 – September 30, 2008, Principal Investigator, Annual Direct Costs - \$41,000
Michigan Department of Community Health/CDC
Co-Investigator

“Diabetes Mellitus Among UAW-GM and UAW-Delphi Employees”

July 1, 2005 – June 30, 2010, Co-Principal Investigator, Annual Direct Costs - \$439,716
UAW-GM and UAW Delphi Training Fund

“Asthma Mortality Review Project”

October 1, 2001 - September 30, 2012, Principal Investigator, Annual Direct Costs \$70,794
Michigan Department of Community Health/CDC

“Adult Blood Lead Epidemiologic Surveillance”

October 1, 2001 - September 30, 2014, Principal Investigator, Annual Direct Costs \$17,500
National Institute for Occupational Safety and Health

“Heavy Metal Tracking”

November 1, 2008- September30, 2014, Principal Investigator, Annual Direct Costs -\$25,000
Michigan Department of Community Health/CDC

“Healthy Herd Management – Worker Health and Safety”

October 1, 2014-September 30, 2016, Principal Investigator, Annual Direct Costs - \$37,500
Michigan OSHA

“Educating Health Care Providers about Great Lakes Fish Consumption”

September 1, 2010 – August 31. 2016, Principal Investigator, Annual direct Costs - \$197,368
Environmental Protection Agency

“Exposure Reconstruction in Three Unique Cohorts”

January 1, 2011 – December 31, 2016, Primary mentor on K01 award
American Cancer Society

“Asthma/COPD Management”

December 1, 2015 –January 30, 2018, Annual Direct Costs - \$167, 428
MSU Health Team

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 7

Current Awards:

“Enhanced Program in Occupational Injury and Illness Surveillance”

July 1, 2005 – June 30, 2020, Principal Investigator, Annual Direct Costs - \$502,345
National Institute for Occupational Safety and Health

“Review of Asthma causing Agents”

November 1, 2011 – December 31, 2018, Principal Investigator, Annual Direct Costs - \$20,561
Association of Occupational and Environmental Clinics

“Use of Michigan’s Workers’ Compensation Data for Surveillance of Work-Related Injuries and Illnesses”

September 1, 2016- August 31, 2019, Principal Investigator, Annual Direct Costs - \$137,903
National Institute for Occupational Safety and Health

“Adult Blood Lead Epidemiologic Surveillance”

October 1, 2016 - September 30, 2019, Principal Investigator, Annual Direct Costs - \$36,667
Michigan Department of Health and Human Services

“Improved Method for Identifying Causative Antigen in Hypersensitivity Pneumonitis “

December 1, 2016 – November 30, 2021, Co-PI, Annual Direct Costs - \$477,419
National Institute of Allergy and Infectious Diseases

“Michigan AgrAbility”

September 1, 2014- August 30, 2018, Co-PI, Annual Direct Costs- \$720,000
United States Department of Agriculture

“Flint Lead Exposure Registry”

August 1, 2017 – July 31, 2021, Co-PI, Annual Direct Costs- \$2,755,908
Centers for Disease Control and Prevention

“Evaluation of Silicosis, Asthma and COPD among Sand and Gravel and Stone Surface Miners”

July 1, 2018 – December 31, 2019, Principal Investigator, Annual Direct Costs - \$208,333
Alpha Foundation

“Worksite Intervention to Mitigate Child Take-Home Lead Exposure”

June 1, 2018 – May 31, 2019, Principal Investigator, Annual Direct Costs - \$68,182
Michigan Department of Health and Human Services

COMMITTEES:

Chair, Bureau of Labor Statistics - State Health Department Select Committee on Occupational Illnesses and Injuries, 1987 - 1991.

Chair, Beryllium Workers Follow-up Study Scientific Peer Review Committee, 1992 - 1993.

Member, New Jersey Water Quality Institute, 1985-1986.

KENNETH D. ROSENMAN, MD, FACE, FACOEM, FACPM
CURRICULUM VITAE

Page 8

COMMITTEES (continued):

Member, New Jersey Pesticide Control Council, 1982-1986.

Member, New Jersey Public Employees Occupational Safety and Health Advisory Board, 1984-1986.

Member, Scientific and Technical Advisory Council of the Carpenters Health and Safety Fund of North America, 2/1/95 - 1999.

Member, Michigan Pesticide Advisory Council, 1994 - 2000.

Member, External Advisory Board, OCAW, Mt. Sinai, and University of Massachusetts DOE Funded Needs Assessment Grant, 1996-2001.

Member, Institute of Medicine's Committee on Gulf War and Health: A Review of the Literature on Pesticides and Solvents, 2001- 2003

Member, National Research Council's Subcommittee on Spacecraft Exposure Guidelines, 2003- 2007.

Member, Safety and Occupational Health Study Section of the Centers for Disease Control and Prevention, 2003 – 2007.

Member, Michigan Department of Community Health Chemical Emergencies Expert Advisory Panel, 2004 - 2012.

President, 2010-2011. Elected Member, Executive Committee, 2007-2013. Association of Occupational and Environmental Clinics.

Member, 2016 – 2018, Institute of Medicine's Committee on Developing a Smarter National Surveillance System for Occupational Safety and Health in the 21st Century.

Co-Lead, 1999- present, Occupational Health Surveillance Work Group, Conference of State and Territorial Epidemiologists.

Secretary, 2015 – present, Elected Member, 2011-2015 Board of Directors, Michigan Occupational and Environmental Medical Association.

Member, 2017 – present, member Michigan Pesticide Advisory Committee
